

Doing Dementia Design 2017

Living better
by design

14-15 SEPTEMBER 2017

JOHN LENNON

ART & DESIGN BUILDING

LIVERPOOL JOHN MOORES UNIVERSITY

BOOK YOUR PLACE NOW AT

DoingDementiaDesign.com

This conference will promote the adoption of dementia-friendly principles in the design of all buildings, places and spaces, sharing latest research and developments, aiming to influence public policy, professional practice, education and training.

It will also offer the chance to experience innovative models such as co-creation through living lab methodologies.
